

LIFETIME MEMBERSHIP NOMINATION

A Sno-Bee lifetime member is one who has been a continuous member for over 20 years and has distinguished themselves in furthering the cause of "the club".

Nominee: Russell Ross

Nomination submitted by: Wayne Pelkey

Date: 12/16/2002

Russell has been a Sno-Bees member since 1972, or 30 years, and was a trail trustee for many years covering the Gun Club area and our boundaries with East Montpelier. In this capacity, he was indispensable for obtaining landowner permissions for key trails and re-routes.

Russell has always set a good example of a Sno-Bee with his well-mannered trail riding, accompanying several senior members on rides to club events and working on trail projects during the Sno-Bees formative years; he could always be counted on especially with his licensed demolition skills to remove ledge or boulder obstacles. He still rides a 1972 Chaparral and can be seen at many club ride-in functions. At his age of 74, this recognition is a pat on the back for his many years of service.

I am pleased to nominate Russell for this Sno-Bee's recognition.

Yours truly,

Wayne Pelkey (a 34-year member and Lifetime status)
