

LIFETIME MEMBERSHIP NOMINATION

A Sno-Bee lifetime member is one who has been a continuous member for over 20 years and has distinguished themselves in furthering the cause of "the club".

Nominee: Scott Lange

Nomination submitted by: Wayne Pelkey

Date: 12/16/2002

Scott has been an active Sno-Bees member since 1985, or 17 years. He has served in several capacities as Secretary, trail trustee, and President; plus liaison from Sno-Bees to the Washington County Club and their Secretary. He is always there on trail projects, marking trails on his own where a need is shown, attending local, county, VAST meetings and always at the VAST Annual Meetings.

Scott goes about his work in a low-key demeanor and establishes a good and considerate image during his many miles of trail riding.

I am pleased to nominate Scott for this Sno-Bee's recognition.

Yours truly,

Wayne Pelkey (a 34-year member and Lifetime status)
