We are honored to nominate Mr. Tim Stone for a lifetime membership in the Sno-Bees of Barre, VT. Tim has been involved with snowmobiling and the Sno Bees for over four decades. He also worked on trails with the Spruce Mountain Club until it closed. His participation in the Sno-Bees started as a youngster when he rode shotgun in our Tucker Cat, piloted by Ray Routhier.

His company, Tim Stone Trucking, also been a major contributor to Sno-Bees; being a longtime supporter of our Sign Board and selling many club raffle tickets. Tim was a director for many years and served unselfishly as Trail Master and Groomer Operator/Maintainer for over 10 years.

He continues to be a Trail Trustee, signing and maintaining the trail through the Strong property. He consistently promotes strong positive relationships with landowners, ensuring that Sno-Bee trails are the best in the state. Tim has received several VAST awards for various trail relocation and major bridges projects.

Tim and his family are still very active snowmobilers and a true asset to the Sno-Bees. They are also proud "new" owners of a mint condition 1970 AMF Ski-Daddler snowmobile.

We hereby respectfully submit the name of Mr. Tim Stone to become a life member in the Barre Sno-Bees Inc.

Happy Trails,

Scott Lange, Charlie Livendale - Past Presidents, Barre Sno-Bees.
