

LIFETIME MEMBERSHIP NOMINATION

A Sno-Bee lifetime member is one who has been a continuous member for over 20 years and has distinguished themselves in furthering the cause of 'the club'.

Nominee: Frank Bolles

Nomination submitted by: John Plante

Date: 04/10/2024

It is my honor to nominate Frank Bolles as a Lifetime Member of the Sno-Bees. Frank's volunteer time with the Sno-Bees was at the start of riding in Central Vermont. He donated his time to operate our second groomer, Queen Bee II, while raising his family with his wife Sandy. This was a time when grooming equipment was scarce in the State and only a few that could operate this equipment while working full time. To support the Groton Club Ride In, he also volunteered to groom not only to Groton, but to the RR bed and the Peacham trail as well.

Frank donated his time as well with trail construction. He joined John Black, Frank Clark, and others to build a key bridge on Lower Road in Plainfield.

Frank was an unsung hero who selflessly donated his time to help make Sno-Bees the Club that we are today.

Thank you, Frank, for your efforts.

John Plante
